PARENTS: Your child learned about the sound of a smoke alarm today. Review the sound of the smoke alarm and remind your child — if the smoke alarm sounds, get outside and go to your meeting place and stay outside until a trusted grown-up tells you it is okay to leave. Plan and practice your home fire escape drill today.

- Make sure you have working smoke alarms.
- Plan two ways out of each room.
- Have an outside meeting place — like a mailbox or tree.

Sound the smoke alarm and have everyone in your home practice your escape drill, meeting at your outside meeting place.
