**Department Overview:** Mid-Columbia Fire & Rescue (MCFR) is a combination all-hazard response agency which responds to approximately 4100 calls for service annually. The District is located along the shores of The Columbia River, approximately 80 miles east of Portland and protects the City of The Dalles, Wasco County's largest incorporated city and the county seat. We have two staffed stations. Fully staffed, MCFR has 5 Chief Officers, 1 administrative office staff, budgeted 24 Dual-Role Fire/EMS career line personnel, 6 EMS Single Role personnel, 6 Apprenticeship Firefighters and 6 Wildland Single Role personnel.

**Area Information:** The Dalles offers about 300 days of sun and receives only 14.5" of rain per year. Cyclists, Geocachers, hikers, hunters, fishers, history buffs, and wine aficionados are discovering our area. Steeped in history and culture, the area served as a center of Native American trade and culture for many years. Lewis & Clark camped along our shores, and here pioneers on the Oregon Trail made the decision to brave the Columbia River or go over Mt. Hood. With a district population of 21,000, The Dalles area is a great place in the Gorge for outdoor recreation and within less than a two-hour drive, you can see the high desert, lush forests, Mt. Hood in Oregon, Mt. Adams in Washington, and Portland. The Dalles is far enough from the city to be rural but close enough to enjoy the sights and sounds of an urban environment.

**Fire District Population:** 21,000
